BOARD MEMBER

BOARD MEMBER SINCE 2018

Lauren Nevitt is a Director of Public Policy for Sunrun, the nation’s leading home solar, battery storage, and energy services company. She believes that the proliferation of distributed energy resources is the key to climate resiliency and empowering communities. Prior to joining Sunrun, Lauren was Senior Environmental Counsel for Southern California Gas Company (SoCalGas), a Sempra Energy regulated California utility, where counseled on efforts to decarbonize the gas system and facilitate the energy transition. Lauren also served as Senior Deputy District Counsel at the South Coast Air Quality Management District, and she began her career at Sidley Austin LLP as a litigation associate. She earned her *juris doctorate* from UCLA School of Law, and her Bachelor of Arts degree in political science and environmental policy *summa cum laude* from Tufts University.

Lauren is passionate about working to improve air quality, public health, and environmental justice outcomes in Southern California.
